Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

STATEMENT IN SUPPORT OF PETITION TO REVIVE AN UNINTENTIONALLY ABANDONED APPLICATION

Mail Stop Petition Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

No response to the Final Office Action mailed December 9, 2005 and subsequent Notice of Appeal dated May 9, 2006 was filed by Applicant for the above-identified application. Applicant hereby respectfully submits a "Petition for Revival of an Application for Patent Abandoned Unintentionally under 37 CFR 1.137(b)", a Declaration of Gerald Gray, a Declaration of Nancy Gamburd and a Declaration of Marc Kaufman. A copy of the Notice of Abandonment mailed on January 10, 2007 for the above-identified application is submitted herewith as Exhibit A. Applicant also hereby respectfully submits an Appeal Brief under 37 CFR 41.67 in reply to the Final Office Action mailed December 9, 2005 for filing upon revival of the above-identified application.

As established by the attached Declarations, the failure to file a response to the Final Office Action was inadvertent and unintentional. Further, based on the attached Declarations, Applicant submits that the entire delay in filing a response to the Final Office Action mailed December 9, 2005 from the July 9, 2006 statutory due date until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

Applicant respectfully requests, therefore, that the above-identified application be revived. Applicant respectfully requests that, upon revival, the Appeal Brief submitted herewith

046301/046000

be entered.

In the event that it should be determined that payment is not properly included, or that an extra fee is required, the Commissioner is hereby authorized to charge any additional necessary fees in connection with this proceeding to Deposit Account No. 50-3557.

If a telephone conference would expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (312) 425-3900.

Respectfully submitted,

Date: December 20, 2007
